Description:

Slide transparency. A dirt road and a barbed wire fence run along the left side of the photograph. At the center are three bag silos, which may be used to temporarily store silage if more space is needed. A wagon waits to the left of the bag silos, while behind them peek the tops of several buildings. To the right is a barn and two cement stave silos. Several Holstein cows are gathered by a wagon also at the right of the photograph. In the distance, several other farms and homes are scattered among the tree-covered hills.
