Description:

Real Photo Postcard. Bird's eye view of a field on a Mr. Rowley's farm. Scores of small hay stacks are in the 20 acre field drying and ready to load up and take to the barn or to sell. The field is expansive and if you look closely you will see four men n the field working. A wire fence is in the foreground. It is possible that the photo was printed on a postcard from an earlier period per the message on the reverse side.
