Description:

Photographic print in an album. A man, possibly Wayne Turner or one of his foster brothers stands outdoors in the woods along a trail in winter. He leans on a cane or stick with his right hand. Snow surrounds him. This photograph is part of an album of the Wayne O. and Marion Turner farm which was in operation from 1945-1956 at RD 1, LaFayette, New York. It was first a chicken farm and then a vegetable truck farm. The Turner's sold produce at the Syracuse Regional Market during that time. After the farm stopped operating, the barn was re-modeled into The Syracuse Motel and part of the farm was sold to the Jewish Federation of Syracuse and made into "Camp Fren-Le."
