Description:

Photographic print. A boy stands outside, in front of a barn. A brood of chickens and roosters pecks and forages around him. A barn with fieldstone foundation is behind him. The hay door is open on the second floor and the first floor slider doors are also open. A small homemade ladder leans against the left outside wall. A window is at the peak of the roof. A second barn is in the background. This barn may be a dairy barn. A slider door on the ground floor is open and a window is in the peak. Farm equipment is outside the open door on the right.
