Title:

Threshing by Belt-Driven Power

Date:

[1950](#)

Identifier:

F0008.2015(34)

Description:

Real photo postcard. On the right is a Steam Traction Engine that powering (likely) a threshing machine. One man sits on the traction engine and another man stands behind it. A tractor-drawn wagon of grain is on the left with two or three men working on it. The load of hay obscures the machine being used. A man stands on top of the machine behind the wagon of grain. Behind the thresher is a large mound of straw.

Physical dimensions:

height 3.375 in ; width 5.375 in

Format:

[Postcard](#)

Coverage:

[Monroe County](#)

Publisher:

[Plowline: Images of Rural New York. A project of The Farmers' Museum, supported by the Gipson Family.](#)
